

ACKNOWLEDGEMENTS

The following agencies, which serve as members of the project's Executive Committee, helped develop this draft of the *Comprehensive Design Plan for the White House and President's Park*.

Advisory Council on Historic Preservation
Commission of Fine Arts
District of Columbia
Executive Office of the President
Executive Residence at the White House
General Services Administration
National Capital Planning Commission
National Park Service
Pennsylvania Avenue Development Corporation (until April 1996)
U.S. Department of the Treasury
U.S. Secret Service
White House Military Office

Appreciation is extended to the White House Historical Association for its financial support of this summary and to Mr. David Dillon for his work as its author. Design, layout, and illustrations were provided by J. Philip Thys, and prepublication services were provided by Joan Huff, both of the Denver Service Center, National Park Service. Unless otherwise specified, photographs were provided by Steve Ruth, Harpers Ferry Center, National Park Service.
